European Insurance Brokers LLC has evolved from the erstwhile Suraksha Insurance Brokers LLC that was registered with the Dubai Economic Department in 1999 and registered under the UAE Insurance Authority with registration No. 127. EIB is a Federal Insurance Authority Compliant Broker focused and specializing in predominantly Corporate solutions and Retail. EIB has established solid success in the insurance market over two decades.

We strive to ensure that your business has the security it needs through our Risk Placement Solution programs. The company specializes in insurance brokering of both Commercial and Retail products.

Why European Insurance Brokers: Because our professionals possess extensive knowledge of the local and international markets. This allows us to find you the right insurance carrier to cover your potential risks at the most affordable price.

## WE SPECIALIZE IN:

- ✔ All Classes of Business
- ✔ Risk reviews/Recommendations to plug risk exposures.
- ✔ Providing the best insurance solution.
- ✔ Obtaining the most economical price available in the market.
- ✔ Placing the risk with the right insurance carrier.
- ✔ Checks and Controls to provide zero error comprehensive policies.
- ✔ Providing expert guidance on claims.
- ✔ Liaising between our client and insurer for speedy claims settlement.
- ✔ Conducting periodic review of insurance requirements to ensure a ring of protection for your growing business.
